Summary

Business owner turned web developer with strong problem solving and analytical skills. Adept at collaborating with my peers to solve complex problems. Well versed in responsive web design. Very open to learning new technologies and languages.

SKILLS

JavaScript	React Native	HTML	Express
Python	Git	MongoDB	Jest
Angular	Bootstrap	Responsive Design	Node.js
React	CSS	JQuery	Google Firebase
MVC Framework	API Configuration	Heroku	Trello

WORK HISTORY

Coding Instructor, The Coding Space, New York, New York **(2021-Present)**

Coding Instructor for both in-person and online classes. Leading students through projects based in multiple languages, including MIT's block-based programming language Scratch, HTML, CSS, JavaScript, Python, and Lua.

Managing Partner, Hitchcock Restaurant Group, New York, New York **(2016-2021)**

Partnered at an existing French Bistro and transformed it into a cooking school and event space. Oversaw all elements of transformation from construction to class offerings. Doubled gross sales in the first two years of operation.

General Manager, Blackfoot Hospitality, New York, New York **(2011-2016)**

Responsible for all aspects of the daily restaurant operations. Oversaw all company hirings, ran payroll, and ensured smooth service for lunch and dinner at busy West Village bistro. Met all sales expectations and cost ratios over a five year period.

EDUCATION

B.A., Mathematics, University of Massachusetts at Boston **(2021)**

Certificate, Full Stack Development, CareerFoundry **(2021-2022)**
